

How Clear is Your Body?

Pro-ToxiClear™

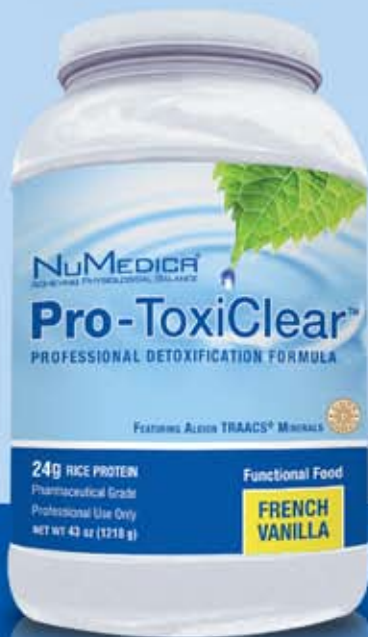

PROFESSIONAL DETOXIFICATION FORMULA

- Balanced phase I and phase II detoxification
- 24g of Hypoallergenic Rice Protein
- Comprehensive Glucuronidation Support
- Support for symptoms associated with toxicity
- Features LignaMax® fiber and lignans for xenoestrogen metabolism

Pro-ToxiClear™ is an innovative Functional Food designed for overall detoxification and the removal of potentially harmful toxins. Developed with specific and targeted nutrients, it helps support balanced Phase 1 and Phase 2 liver detoxification pathways. Pro-ToxiClear™ is fortified with 24 grams of the highest quality, hypoallergenic rice protein specifically selected for its low allergy potential. Pro-ToxiClear™ also provides a balance of vitamins, minerals, amino acids and antioxidants to restore gut pH balance and support gastrointestinal integrity.

Pro-ToxiClear™ helps mitigate the damage of the radical toxic intermediate molecules of the detoxification process and helps bind heavy metals such as mercury and cadmium to aid in removal from the body. Pro-ToxiClear™ provides a synergistic combination of nutrients to support liver detoxification, intestinal balance, and the reduction of inflammatory cytokines.*
